

HOA Presidents,

The Nominating Committee of the Grand Harbor and Oak Harbor Transition, LLC met today at 2:00 pm and audited the election results of November 28, 2018. The results were certified and the Board of Managers for the Grand Harbor and Oak Harbor Transition, LLC are as follows:

Jeff Caso – St. Andrews Island
Lance Hall – Riverview 11
Bob Garrison – Victoria Island
Roger Andrus – Harbor Pointe
Doug Marquis – St. Georges Island

The Board of Managers will be meeting tomorrow to decide their Board structure and individual responsibilities and that will be released after the meeting. Please take the time to congratulate the new Board as we officially begin the Transition Process.

We have been blessed to have the highly qualified candidates that took part in the Election and it is my hope that those candidates that came up short will continue to contribute to this effort with their expertise and skillsets.

Please forward this information to your individual homeowners.

For your information, I have attached a copy of the Election Certification by members of the Nominating Committee.

Best Personal Regards,

David Warren
