HOA PRESIDENTS MEETING – NOVEMBER 15, 2018

We have scheduled an HOA Presidents' Meeting on Thursday, November 15th at 1:00 pm in the Harbor Room of the Oak Harbor Club.

The purpose of the meeting is to review the procedures for the election of the LLC's Board of Managers on November 28th and to have you meet the final Candidates that will be up for election. We will have each candidate make a brief statement and you will have the chance to ask him or her questions about their capabilities.

It is important to note that only HOA Presidents will be invited to this meeting – no other interested homeowners. If an HOA President is unable to attend the meeting – they may send a designee from their Board.

Also be prepared to add your signature to the LLC's Operating Agreement while at the meeting. I any HOAs in Grand Harbor and Oak Harbor have made changes in their

Presidents– please advise soonest so that we can have the proper name in the Document.

This is an important meeting for all Grand Harbor and Oak Harbor Associations so please plan on attending and participating in the Election Process.
